

Hookslide TRACK RIDER

Thank you for your interest in Hookslide! To ensure a smooth, quality performance, please find below the minimum technical and hospitality requirements. If you have any questions regarding technical specification please contact Prince/SF Productions 650.508.9800 Email: Bud@PrinceSF.com

Promoter/Producer shall provide the following equipment:

SOUND:

Mixing Board: Purchaser shall provide mixing board with at least 4 XLR outs.

PA: Purchaser shall provide main speakers and amps to adequately fill the house to approximately 105dbs.

Setup: Purchaser shall have system set up and prepared by soundcheck time

Microphones: Hookslide shall provide their own Microphone system.

Monitors: Hookslide shall provide their own in-ear wireless system

Effects: Hookslide shall provide Yamaha 01V board with pre programmed effects to run into client mainboard.

Soundcheck:

To ensure a strong show, Hookslide shall require a mandatory 60 minute sound check. The sound system shall be set up prior to Hookslide's arrival.

STAGE: 20 X 15 Elevated Stage. The performance area should be centered and far down stage as possible. If no stage is available please clear out section of area for group to perform.

LIGHTING (Optional for daytime/outdoor events)

Per Venue

DRESSING ROOM-

- Private, secure dressing room and restroom facilities for Hookslide to prepare for the performance. Hookslide shall have access to the dressing area at least 30 minutes prior to the performance and 30 minutes after the performance.

HOSPITALITY-

- Five 1 liter bottles of room temperature water.
- Five 1 liter bottles of cold water

MEALS:

Client will provide 1 meal per day for artists and entourage. Entourage and artist will accept a \$15/person/day buyout.
